5. **Eligibility Criteria (Technical and Financial)**

i. Each intending bidder should be a validly registered Partnership Firm or Individual Proprietorship Firm or Agency/Govt./Semi Govt./Society/Public or Private Entrepreneur or Enterprise or Undertaking having eligibility to participate in this RFP. Furthermore the bidder/agency should be registered with APEDA/SSI/FSSAI. No Consortium or Joint Venture (JV) shall be allowed or accepted in this RFP.

ii. Each bidder who intends to participate in this bidding process through e-procurement for any work should have/possess necessary Portal Enrolment (Digital Signature Certificate-DSC) of required category.

iii. Average Annual financial turnover during last 3 financial years (ending 31st March of 2016), not less than 5.00 crores. Copies of audited balance sheets and statement(s) featuring turnover during the aforesaid periods should be submitted duly signed by the bidder and the Audit Firm (Authorized Signatory with Seal of the Firm) or the registered Chartered Accountant concerned.

iv. Experience of having successfully completed similar Work(s) **which would account for Eligible Projects.**

6. **Similar work shall mean agency/bidder registered with APEDA/SSI/FSSAI as an operator of slaughtering units / meat processing units having minimum 3 year experience of Operating and Handling Private/Public/Govt. slaughter houses. Required experience certificate(s) should be submitted duly signed by the bidder. BMC reserves the right to verify the authenticity of this/those document(s) and the corresponding work experience(s).**

7. Each Proposal (as per RFP Part-I) must be accompanied with legible self-signed copies of valid Agency Registration Certificate, APEDA/SSI/FSSAI registration certificate, EPF Registration, GSTIN, PAN CARD, documents in support of the eligibility criteria defined at Sl. 5 above. In addition to this each Proposal Part-I should accompany original Earnest Money Deposit (EMD) and Cost of RFP Documents as specified in Sl. 1 above. No bidder should submit more than one Proposal (comprising Part-I and II) failing which the Proposals of the agency shall be rejected. The **EMD should have been pledged/issued (as applicable) in favor of Commissioner, Bhubaneswar Municipal Corporation in shape of Term Deposit Receipt or Fixed Deposit Receipt or Demand Draft or Banker's Cheque of any Nationalized or Schedule Bank(s) or in shape of Small Savings Instrument(s) of Govt. of India or in a combined shape of two or more of the aforesaid financial instruments failing which the proposal shall be rejected out rightly. The Cost of RFP Documents should be in shape of Demand Draft and drawn on any Nationalized/Schedule Bank in favour of Commissioner, Bhubaneswar Municipal Corporation without which the Proposal(s) shall not be considered for evaluation.** The Demand Draft to be submitted by each intending bidder towards cost of RFP documents should have been issued/drawn on or after the date of issue of this Notice and should essentially remain valid at least for three months from the date of its issue. Similarly, Demand Draft/Banker's Cheque, if submitted by any bidder towards EMD as described above, should have been issued/drawn on or after the date of issue of this Notice and should essentially remain valid for three months from the date of its issue subject to further extension in conformity with the validity

of the Proposal vide Sl.12 below. In case of interest bearing security(s)/deposit(s), as mentioned above, to be furnished towards EMD, the invested/deposited amount(s) shall only be taken into consideration as the amount of EMD furnished but not the amount(s) on maturity or the interest(s) likely to be accrued out of the said investment(s)/deposit(s). Accordingly, the intending bidders are urged to furnish the EMD(s). The EMD and Cost of RFP Documents should be placed inside a closed envelop and the envelop should be super scribed as “EMD and Cost of RFP Documents for RFP No BMC-CE-05/2017-18” This closed envelop should be placed inside the main envelop vide Sl.9 below.

8. Each on-line bid should also be accompanied with scanned copies of Declaration Certificate & No Relationship Certificate and affidavit(s) for correctness of the Proposal and for EPF (if not registered under EPF Rules), Cover Letter, Bidder Details, Financial Capacity, Power of Attorney, Letter of Authorization etc in the prescribed formats in the prescribed formats as mentioned in the RFP without which the bid will be liable for rejection. In addition to this each Proposal (Part-I) should also be accompanied with all the above mentioned documents in original .Without these documents the Proposal shall be liable for rejection. The Technical Proposal (as per RFP Part-I) containing the documents mentioned at Sl. 5 to Sl.6 and RFP Section II Sl. 6, excluding the financial instruments, should be placed inside a closed envelop super scribed as “Technical Proposal for Operation and Maintenance of the Modern Slaughter House for Ovine Animals at Gadakana under BMC”. This closed envelop should be placed inside the main envelop vide Sl. 8 below.
9. The required documents mentioned at Sl. 5 to Sl. 7 above, the financial instruments as described at Sl. 6 above should be placed in two separate closed envelopes and should be placed inside a closed/sealed main envelop super scribed with the RFP Notice No. & Name of the Work. Without the above documents (one or more than one) and, in case of faulty/erroneous/misleading/inconsistent document(s), the Proposal shall be rejected outrightly. The closed envelop should be submitted in accordance with the details mentioned at Sl. 9 below. If found necessary for further verification/reference/record, original(s) of any document(s), such as; Registration, PAN, GSTIN, etc., should be produced by the respective bidder(s) before the undersigned within such period as intimated/instructed (over telephone/physically/through e-mail/letter) failing which, the respective Proposal shall be treated as incomplete/non-responsive and hence, shall be rejected.
10. The closed/sealed main envelope containing the documents in different closed envelopes mentioned at Sl. 8 above should be sent through Regd. Post or Speed Post addressed to the City Engineer, Bhubaneswar Municipal Corporation, Goutam Nagar, Bhubaneswar so as to reach his office/BMC on or before the Date and Time mentioned at Sl. 4 above. The authority will not be held responsible for postal delay, if any, in the delivery of the documents and non-receipt of the same in time. The authority shall also not be held responsible for any damage caused to the documents during transit & handling.
11. If the Technical Proposal (Part-I) containing the documents mentioned at Sl. 8 above could not be opened on the date mentioned at Sl.4 above, for any reason beyond the control of BMC, then the same shall be opened on the next official working/functioning day at 11.00AM.

The Financial Proposals of the bidders, found qualified/selected after evaluation of the Technical Proposals (Part-I) and upon verification of the financial instruments submitted, shall be opened later with prior intimation to them through their e-mail/telephone to be mentioned in the affidavits

(vide Sl. No. 6 above). Similarly, intimation will also be given through the e-mail/telephone of the respective bidders whose Proposals will be rejected (if any) after technical or financial evaluation.

12. Each received Proposal, if otherwise not rejected, shall remain valid for a period of 180 days from the date of opening of Technical Proposal (Part-I). Subsequent extension of validity of the Proposal(s) of any bidder(s) shall be subject to mutual consent of the respective bidder(s) and BMC.
13. The intending bidders are urged to acquaint themselves with the site conditions in Bhubaneswar City wherein, the corresponding work is to be delivered and submit their Proposal(s) accordingly.
14. Each bidder shall be deemed to have satisfied itself before bidding as to the correctness and sufficiency of his/her/their Proposal and of the rates and prices quoted in the Financial Proposal, which rates and prices shall, except as otherwise provided, cover all the obligations under this RFP and all matters and things necessary for proper completion of the work. The proposed amount to be accepted by BMC with or without negotiation, as the case may be, shall remain firm till completion of the work. The Proposal(s) containing extraneous condition(s) are liable for rejection.
15. No claim shall be entertained towards any expenses made by any bidder for submission of the proposal in case of cancellation/rejection/acceptance/withdrawal of the Proposal.
16. Proposal(s) received in incomplete shape or found incomplete during evaluation of the same, is/are liable for rejection. However, during evaluation, if felt necessary by BMC that, further clarification(s) is/are required on any document(s) submitted by any bidder(s), then BMC may, at its sole discretion, resort to any procedure(s) deemed fit and by assigning reasonable time(s), as BMC may decide just & proper for obtaining the documents and for completion of the procedure(s). BMC may also ask for any other document(s) of historical nature during evaluation of his/her/their bid(s). Provided in all such cases, furnishing of any document in no way shall alter the bidder's Financial Proposal. The corresponding bidder(s) should respond for this purpose in not more than 7 days from the date of intimation (through letter/phone/e-mail/physically). Non-submission or delayed submission of the document(s) required/requested for or submission of non-convincing document(s), may render the Proposal(s) incomplete/non-responsive and hence, such Proposal(s) shall be rejected by BMC. The result(s) of this /these time bound pursuit(s) shall have bearing(s) upon further evaluation/finalisation of the corresponding Proposal(s) of the bidder(s).
17. For examination, evaluation, and comparison of rates, BMC may, at its discretion, ask the eligible/responsive bidder(s) for clarification on his/her/their rate(s) including negotiation of rate(s) after conditions, if any. However, in case single eligible/responsive bidder/remaining responsive bidder, the decision on acceptance/cancellation of the tender shall be taken as per OPWD Code or H&UD Deptt. guidelines or decision of BMC.
18. Unusual or unilateral interpretation (if any), of any part or whole of this RFP by any bidder and subsequently by the selected bidder, of any information/condition/provision to be laid down in the agreement (to be drawn between the selected bidder and BMC), shall be outrightly rejected. Insisting on the interpretation(s) by any bidder and seeking/claiming

clarification(s)/correspondence(s) on the same from BMC, shall be treated as violation(s) of the terms and conditions of this RFP/agreement and hence, action as deemed fit by BMC, shall be taken against such bidder(s). Under such circumstance(s), BMC shall not only have the liberty of non-response but also, shall resort to any procedure deemed fit for operation & maintenance of the abattoir. Against these prerogatives of BMC, no claim in any manner by any bidder shall be entertained / accepted by BMC.

19. In case of any inconsistency or contradict among different clauses/conditions/ instructions/ information furnished in this RFP, then necessary clarification can be sought for by the bidders before submission of their Proposals from the City Engineer, BMC (Tel No.8895351519) during office hours as mentioned at Sl.4 above. Regarding the Agreement to be drawn by BMC with the selected bidder, this RFP shall form part of the Agreement. In case of any dispute between the respective bidder(s) and BMC regarding the RFP/Agreement, decision of H&UD Deptt. shall be final & binding without prejudice to the remedies available to the respective bidder(s) under law of the Nation (India). Intending bidders are requested to understand this condition thoroughly and submit their Proposals accordingly. For legal disputes, if any, the place of occurrence of dispute shall be treated as the present jurisdiction of BMC.
20. The authority reserves the right to reject any or all the Proposals without assigning any reason thereof subject to the limitations prescribed by Central Vigilance Commission and State Regulatory Authorities concerned.

By Order of Commissioner, BMC

**City Engineer
Bhubaneswar Municipal Corporation**

RFP PART-I (SECTION-II)

Instruction to the bidders

1. General:

Bhubaneswar Municipal Corporation has established a Modern Slaughter House with a capacity of 50 animals per shift at Gadakana, Bhubaneswar. The modern slaughter house features a lairage area, rendering unit, adequate waste disposal facility among other facilities.

- a. Description of Work – Operation and Maintenance of the Modern Slaughter House for small ovine animals at Gadakana, Bhubaneswar on license for a period of 5 years on **“As is Where is Basis”**.
- b. Licensor – Bhubaneswar Municipal Corporation, Bhubaneswar.
- c. Location – The modern slaughter house is located in Gadakana, Near Kelucharan Park, Ward No: 9 Bhubaneswar.
- d. Period of Operation and Maintenance of License – The successful bidder will be required to operate and manage the modern slaughter house complex for a period of 5 (Five) years from the date of signing of the License Agreement.

2. Cost of Tendering:

The bidder shall bear all costs associated with the preparation and submission of his tender/bid and Licensor (Bhubaneswar Municipal Corporation, Bhubaneswar) will not be responsible or liable in any case for these costs, regardless of the conduct or outcome of the tendering process.

3. Site Inspection:

The prospective bidders are advised to visit, inspect and examine the site of the modern slaughter house complex at Gadakana, Bhubaneswar before submitting their tenders/bids because the Tenders/bids are being invited on **“As is where is Basis”**.

4. Tender / Bid Form:

The bidders shall complete the form of tender and financial proposal furnished in the Tender/Bid documents only. The format for tender and financial proposal is furnished. The bidders shall prepare their bids strictly in accordance with the format by filling in the blank spaces only.

5. Financial Proposal:

- a. The bidder shall submit online the financial proposal, quoting the monthly license fee payable to BMC, for the first year only. The monthly license fee payable to BMC will be increased by five percent at the start of second, third, fourth and fifth year.
- b. Any excise duty, trade/sales tax, slaughtering fees or any other taxes or charges applicable in India and Odisha and all such taxes and charges which may be levied in future by the State or Central Govt. on the raw materials, product and by products of the modern slaughterhouse complex, during the period of license, shall be borne entirely by the licensee. The licensor (Bhubaneswar Municipal Corporation, Bhubaneswar) will not spend any amount whatsoever either towards building, plant and machinery etc. after taking over possession by the licensee.

6. Documents Establishing Bidders Eligibility:

- a. The bidders shall furnish, as part of RFP, documents establishing the bidder's eligibility to tender and to execute the agreement, if his tender/bid is accepted. The bidders should also give information in the format provided in Annexures in the RFP documents.
- b. Bhubaneswar Municipal Corporation reserves the right to obtain any documents/clarification and verify the authenticity of the documents from its own sources in the matter after opening of the tenders/bids as well.
- c. The tenders/bids shall include the following information under Annexures attached:
 - i. Copies of original documents defining the constitution or legal status, place or registration and principal place of business of the company or firm or partnership firm etc.
 - ii. Power of Attorney in case of authorization by the company, in case an authorized representative signs the tender or is authorized to participate in the tendering process or is authorized to sign the License Agreement etc. Formats for both Letter of Authorisation and Power of Attorney is given in Annexure VI & VII respectively.
 - iii. Details of experience and past performance of the bidder, on License Agreement of similar nature within the past three years and details of current License Agreement in hand as per schedules given in Annexure X respectively of this tender document.
 - iv. Reports on financial standing of the tenderer/bidder such as profit and loss statements, balance sheet and auditor's report of the past three years etc.
 - v. Information regarding any current litigation in which the bidder is involved, specifically relating to any such similar License Agreement (s) anywhere in India.
 - vi. The tenderer/bidder shall furnish a copy of the income Tax clearance certificate, trade tax clearance certificate or other such relevant certificates for the previous year in original or certified true copies.

7. Earnest Money Deposit:

- a. Pursuant to clause 6, the tenderer/bidder shall furnish, as part of its tender, earnest money deposit as specified in the invitation to tenders/bids.
- b. The earnest money deposit shall be in the form of a demand draft of Rs. 5.00 Lacs (Rs. Five Lacs only) drawn in favour of Commissioner, Bhubaneswar Municipal Corporation, Bhubaneswar, payable at Bhubaneswar.
- c. Tender document not accompanied with the earnest money deposit will not be considered by the Bhubaneswar Municipal Corporation, Bhubaneswar.
- d. Unsuccessful bidder's earnest money deposit will be discharged/returned as promptly as possible but not later than 30 days after the expiry of the period of tender validity.
- e. The successful bidder's earnest money deposit will be discharged/returned upon the tender's execution of the agreement and furnishing the security.
- f. The earnest money deposit may be forfeited,
 - i. if a bidder withdraws or modifies his tender during the period of tender validity specified by the bidder on the tender form.

Or
 - ii. in the case of the successful bidder, if the bidder fails to execute the License Agreement or to furnish the security.

Or

iii. if a bidder has not disclosed correct details about ongoing litigation in similar cases anywhere in India.

g. No interest shall be paid by the Bhubaneswar Municipal Corporation, Bhubaneswar on the earnest money deposit furnished by the tenderer/bidder.

8. Period of Validity of Tenders/Bids:

The tenders/bids shall remain valid for 180 days from the date of opening of the tender. In exceptional circumstance, Bhubaneswar Municipal Corporation, Bhubaneswar may solicit the bidders consent to an extension of the period of validity. The earnest money deposit provided under clause-10 shall also be suitably extended.

9. Sealing and Marking of Tender:

The bidder shall seal the tender forms in an envelope duly marked with the following:

- i. Address for submission of the tender forms as in clause 10 of invitation for tenders/bids.
- ii. Details of demand draft of the earnest money deposit and
- iii. Name and address of the bidder.

10. Opening of Tenders/Bids:

- a. The tenders/bids will be opened in the presence of bidders or their authorised agent agent/representatives at the time and date specified in the clause-8 of invitation for tenders/bids in the office of the Commissioner, Bhubaneswar Municipal Corporation. The tenderer/bidders or their representatives who are present shall sign a register evidencing their attendance.
- b. The tenderer/bidders names, tender charges, modifications, earnest money deposits and such other details as the Commissioner, Bhubaneswar Municipal Corporation, Bhubaneswar, at his discretion, may consider appropriate will be announced at the time of opening of the tenders/bids.

11. Right to accept and/or cancel any or all the Tenders/Bids:

The Commissioner, Bhubaneswar Municipal Corporation, Bhubaneswar reserves the right to accept and/or cancel any tender and to annul the tendering process and cancel all the tenders/bids at any time prior to award of License agreement, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds of his action.

12. Intimation Notice:

The successful bidder will be intimated in writing or by fax, prior to the expiry of the period of validity, that his tender has been accepted.

13. Performance Security :

Within one week of the date of the intimation notice, the bidder shall furnish refundable performance security amounting to Rs. 1 Crore in shape of TDR/NSC/Bank Guarantee drawn/pledged in favour of Commissioner, Bhubaneswar Municipal Corporation on any Commercial Bank and payable at Bhubaneswar in accordance with the conditions of License

Agreement. The security must be deposited with Bhubaneswar Municipal Corporation prior to signing of the License Agreement.

14. Execution of License Agreement:
 - a. After the deposit of the Performance Security, registered License Agreement will be executed between the parties. All the expenses including stamps, registration charges will all borne by the successful bidder.
 - b. On the execution of the License Agreement. “Handing Over-Taking Over Note” will be signed by the parties.
 - c. So long as the tender is not finally accepted by the Commissioner of Bhubaneswar Municipal Corporation, Bhubaneswar and registered License Agreement is not executed, the highest bidder will not get any right whatsoever.
15. If the selected bidder does not turn up for agreement after finalization of the Proposal, then he/she/they shall be debarred from participation in bidding for three years and action will be taken to blacklist the bidder. In that case, the next higher qualified bidder would be called for acceptance of the letter of intent for the respective Package subject to the condition that he/she/they agreed to the deliver the Package at the first lowest/selected bidder’s rate failing which the RFP shall be cancelled. In case any bidder is black listed, it will be widely published and intimated to all departments of Government and also to Govt. of India Agencies working in the state.
16. The selected bidder shall not sub-let/sub-contract the work.
17. The selected bidder shall not employ any person who is below the age of eighteen years and shall pay to each labour for the work done by such labour at the rates prescribed by Government of Odisha. BMC shall have the right to enquire into and take appropriate action against the selected bidder in case of deviation. The selected bidder shall be liable to pay any compensation to any workman under workman’s compensation Act, 1923 either by direct payment or by reimbursement through BMC.
18. BMC shall levy other applicable statutory charges/taxes upon the selected bidder.

DECLARATION CERTIFICATE

1. I/We am/are acquainted with the local situation regarding the materials, labour and factors pertaining to the work for completion in all respect before submitting the Proposal.
2. I/We have carefully studied the conditions of this RFP and all other documents relating to this consignment and agreed to deliver the same accordingly.
3. I/We solemnly pledge that, I/We shall be sincere in discharging my/our duties as a responsible bidder and complete the deliverables within prescribed time limit. In case any deviation happens, I/We shall abide by the decision of BMC.
4. I/We undertake that I/We shall not claim anything from BMC towards damage and losses due to natural calamities, public nuisance, miscreants or for any other reason in connection with this contract.

Cover Letter

[On the letter head of Bidder]

[The bidders are required to fill up all the blank spaces in the form of tender.]

Name of License Agreement	Operation and Maintenance of Modern Slaughter House Complex for Small Ovine Animals at Gadakana, Bhubaneswar
Name of the Licensor	Bhubaneswar Municipal Corporation
Address of the Licensor through the Commissioner	Commissioner, Bhubaneswar Municipal Corporation, Vivekanand Marg, Near Kalpana Square, Bhubaneswar – 751014
Description of Work	Operations, Maintenance and Management of Modern Slaughter House at Gadakana, Bhubaneswar for a period of 5 (Five) years.

Dear Sir,

- i. Having examined the tender documents for execution of the above mentioned work, we the undersigned offer to execute the said works in conformity with the said conditions of License Agreement on a monthly License Fee basis for a period of 5 (five) years of License in accordance with the price schedule annexed with the form of tender.
- ii. We undertake, if our tender is accepted, to commence the works as per the provision of License Agreement.
- iii. If our tender is accepted, we will deposit a refundable security of the value of three months License Fee in the form of demand draft drawn in favour of Commissioner, Bhubaneswar Municipal Corporation payable at Bhubaneswar and a Performance Security amounting to Rs. 1 Crore in the form of TDR/NSC/Bank Guarantee drawn/pledged in favour of Commissioner, BMC from any Commercial Bank and payable at Bhubaneswar in accordance with the conditions of License Agreement., prior to the signing of License Agreement. I further understand that Bhubaneswar Municipal Corporation is not obliged to pay me interest on the deposits and that I too shall not claim any interest on such security deposits.
- iv. We agree to abide by this tender for the period of validity of 180 days from the date of opening of the bids and it shall remain binding upon us and may be accepted at any time before the expiry of that period.
- v. So long as the tender is not finally accepted by the Commissioner, Bhubaneswar Municipal Corporation and registered License Agreement is not executed, the highest bidder will not get any right whatsoever.
- vi. We understand that you are not bound to accept the highest or any bid you may receive.

Dated this ____ day of ____, 2017.

RFP PART-I (SECTION-IV)

LICENSE AGREEMENT

THIS LICENSE AGREEMENT is entered into on this ____ day of ____ (month) 2017 at Bhubaneswar, Odisha.
BETWEEN,

Bhubaneswar Municipal Corporation, having its office at Bhubaneswar Municipal Corporation, Vivekanand Marg, Near Kalpana Square, Bhubaneswar, Odisha – 751014 acting through its Commissioner (hereinafter referred to as **“Licensor”**) which expression shall, unless repugnant to the context or meaning thereof, mean and include its successors) of the FIRST PART

AND

M/s _____, a company incorporated under the Companies Act 1956, having its registered office at _____ (hereinafter referred to as **“Licensee”**, which expression shall unless repugnant to the context or meaning thereof, mean and include its associate/group companies, successors and assigns) through Mr./Ms. _____ duly authorized in this behalf by the way of a Board Resolution dated _____ of the OTHER PART.

WHEREAS,

- A. The Licensor is keen to appoint an agency for Operation and Maintenance of the Modern Slaughter House for small ovine animals at Gadakana, Bhubaneswar (hereinafter referred to as **“the Project”**);
- B. The Licensee is responsible for development and maintenance of slaughter house within the area of Bhubaneswar Municipal Corporation;
- C. In view of the above, the Licensor invited tenders from eligible persons for implementing the Project;
- D. The Licensor after evaluating the aforesaid bids accepted the bid submitted by the Licensee and issued the Letter of Acceptance / Award dated _____ (LOA) to the Licensee.
- E. The Licensee was selected through a transparent Competitive Bidding Process, met the Eligibility Criteria and quoted the highest License Fee for Operation and Maintenance of the Project.
- F. The Licensee acknowledges and confirms that it has undertaken a due diligence and audit of all aspects of the Project Site and Project including technical and financial viability, legal due diligence, availability of the Animals in present and future, and on basis of its independent satisfaction hereby accepts the Project and agrees to implement the Project at its own cost and expense in accordance with the terms and conditions of this License Agreement.

NOW THEREFORE, in view of the offer, mutual promises and consideration set out herein, the Licensor and the Licensee (each individually a **“Party”** hereto, and collectively the **“Parties”**) hereby agree to be bound by the provisions of this License Agreement.

ARTICLE I
DEFINITIONS AND INTERPRETATION

1.1 Definitions

In this Agreement, the following words and expressions shall, unless repugnant to the context or meaning thereof, have the meaning hereinafter respectively assigned to them:

- I. **“Accounting Year”** means the financial year commencing from 1st April of any calendar year and ending on 31st March of the next calendar year except in the first and the last calendar year of the subsistence of this Agreement, it means the period from the Commencement Date to the 31st March of next calendar year. In the last year of subsistence of this Agreement, it means the period from 1st April to the Transfer Date.
- II. **“Act”** means the Companies Act, 1956 or Companies Act, 2013, as may be applicable.
- III. **“Agreement”** means this agreement including Schedules ‘A’ through ‘C’ hereto, and any amendments made thereto in accordance with the provisions of this Agreement.
- IV. **“Animal”** means sheep or goat as may be permitted to be slaughtered in the State of Odisha and any government order in relation thereto in the Modern Slaughterhouse using the Project Facility.
- V. **“Applicable Laws”** means all laws, orders promulgated or brought into force and effect by GoI or GoO, directly or through any of its department, including regulations and rules made thereunder, and judgements, decrees, injunctions, writs and orders of any court of record, as may be in force and effect during the subsistence of this Agreement.
- VI. **“Applicable Permits”** means all clearances, permits, authorisations, consents and approvals under or pursuant to the Applicable Laws, required to be obtained and maintained by the Concessionaire, in order to implement the Project and to provide Project Facility in accordance with this Agreement.
- VII. **“Authority”** shall mean the Bhubaneswar Municipal Corporation.
- VIII. **“Change in Law”** means the occurrence of any of the following after the date of this Agreement having an adverse bearing on the performance of obligations of Parties under this Agreement:
 - a. the enactment of any new Indian law;
 - b. the repeal, modification or re-enactment of any existing India law;
 - c. the commencement of any Indian law which has not entered into effect until the date of this Agreement;
 - d. a change in the interpretation or application of any India law by a court of record as compared to such interpretation or application by a court of record prior to the date of this Agreement; or
 - e. any change in the rates of any of the Taxes.
- IX. **“Commencement Date”** means the date on which the physical possession of the Project Site is delivered by Licensor to the Licensee, which shall not be later than 30 days from the date of this Agreement.

- X. **“Cure Period”** means the period specified in this Agreement for curing any breach or default of any provision of this Agreement by the Party responsible for such breach or default.
- XI. **“Dispute”** shall have the meaning ascribed to thereto in Article 11.1.
- XII. **“Dispute Resolution Procedure”** means the procedure for resolution of Dispute set forth in Article 11.
- XIII. **“Emergency”** means a condition or situation that is likely to endanger the security of the individuals on or about the Project including users thereof or which poses an immediate threat of material damage to any of the Project Assets.
- XIV. **“Encumbrances”** means any encumbrances such as mortgage, charge, pledge, lien, hypothecation, security interest, assignment, privilege or priority of any kind having the effect of security or other such obligations and shall include without limitation any designation of loss payees or beneficiaries or any similar arrangement under any insurance policy pertaining to the Project, physical encumbrances and encroachments on the Project Site.
- XV. **“Equity”** means the sum expressed in Rupees representing the equity share capital of the Licensee.
- XVI. **“Force Majeure Event”** shall have the meaning ascribed thereto in Article 9.1.
- XVII. **“GoI”** means the Government of India.
- XVIII. **“GoO”** means the Government of Odisha.
- XIX. **“Good Industry Practice”** means those practices, methods, techniques, standards, skills, diligence and prudence which are generally and reasonably expected of and accepted internationally from a reasonably skilled and experienced operator engaged in the same type of undertaking as envisaged under this Agreement and which would be expected to result in the performance of its obligations by the Licensee in operation and maintenance of the Project in accordance with this Agreement, Applicable Laws, Applicable Permits, reliability, safety, environment protection, economy and efficiency.
- XX. **“Government Agency”** means GoI or GoO or any state government or governmental department, commission, board, body, bureau, agency, authority, instrumentality, court or other judicial or administrative body – central, state, or local, having jurisdiction over the Concessionaire, the Project Assets or any portion thereof, or the performance of all or any of the services or obligations of the Licensee under or pursuant to this Agreement.
- XXI. **“License Fee”** means the fee to be paid to the Licensor by the Licensee on a monthly basis, as was quoted in its bid basis which the Licensee was issued a Letter of Award.
- XXII. **“Maintenance Manual”** shall have the meaning ascribed to it in Article 6.1 (VI).
- XXIII. **“Maintenance Programme”** shall have the meaning ascribed to it in Article 6.1 (VII).
- XXIV. **“Modern Slaughter House”** means collectively the structures, equipment, system or mechanism deployed for the purpose of slaughtering of Animals using the Project Facility for collection of Slaughter Charges in accordance with the provisions of this Agreement. In addition, it means a place where animals are butchered/slaughtered using modern slaughtering practices in order to minimize the torture to the animals, adopting most hygienic standards of safety for the meat and maximizing the output by way of prudent utilization of the slaughtering byproducts.

- XXV.** "O&M" means the operation and maintenance of the Project during Operations Period including but not limited to functions of providing services to the local meat vendors, maintenance of the plant and performance of other services incidental thereto.
- XXVI.** "Parties" means the parties to this Agreement collectively and "Party" shall mean either of the parties of this Agreement individually.
- XXVII.** "Performance Security" means the Performance Security in the form of Bank Guarantee submitted in terms of Article 3.
- XXVIII.** "Person" means any individual, company, corporation, partnership, joint venture, trust, incorporated organisation, government or Government Agency or any other legal entity.
- XXIX.** "Project" means successful operation and maintenance of a Modern Slaughter House for slaughtering of sheep or goat under the existing applicable laws, rules and regulations in the State of Odisha.
- XXX.** "Project Assets" means all physical and other assets relating to and forming part of the Project including but not limited to (i) rights over the Project Site in the form of license, right of way or otherwise, (ii) tangible assets such as civil works including foundations, embankments, pavements, slaughter hall, slaughter lines, lairage(s), rendering plant, effluent treatment plant, drainage works, lighting facilities, sign boards, milestones, electrical works for lighting on the Project, telephone and other communication systems and equipment for the Project, administration and maintenance depots, relief centers, service facilities etc. (iii) Project Facility situated on the Project Site, (iv) the rights of the Licensee under this Agreement, (v) Financial assets, such as security deposits for electricity supply, telephone and other utilities, etc. (vi) insurance proceeds, and (vii) Applicable Permits and authorizations relating to or in respect of the Project.
- XXXI.** "Project Facility" means collectively the facilities of the Modern Slaughter House to be operated by the Licensee to extend service to the butchers and more specifically set out in **Schedule 'A'**.
- XXXII.** "Project Period" means the period as applicable specified in Article 2.2.
- XXXIII.** "Project Site" means the real estate particulars whereof are set out in **Schedule 'B'** on which the Modern Slaughter House is constructed and the Project Facility provided.
- XXXIV.** "Rs." or "Rupees" refers to the lawful currency of the Republic of India.
- XXXV.** "Slaughtering Charges" means the charge/fee levied by the Licensee for slaughtering an Animal using the Project Facility.
- XXXVI.** "Slaughtering Fee Notification" means the notification which may be issued by the Licensor as regards Slaughtering Charges payable to Licensee and includes a revised Slaughtering Fee Notification, if any, issued pursuant to Article 4.2.
- XXXVII.** "Termination" means termination of this Agreement and the Project hereunder pursuant to a Termination Notice or otherwise in accordance with the provisions of this Agreement but shall not, unless the context otherwise requires, include the expiry of this Agreement but shall not, unless the context otherwise requires, include the expiry of this Agreement/Project due to expiry to the Operations Period in the normal course.
- XXXVIII.** "Termination Date" means the date on which the Termination occurs which shall be the date on which Termination Notice has been delivered or deemed to have been

delivered by a Party issuing in the same to the other Party in accordance with the provisions of this Agreement.

XXXIX. “**Termination Notice**” means a communication in writing by a Party to the other Party regarding Termination in accordance with the applicable provisions of this Agreement.

ARTICLE 2 PROJECT AND PROJECT SITE

2.1 Grant of the Project

Subject to and in accordance with the terms and conditions set forth in this Agreement, the Licensor hereby grants and authorizes the Licensee to operate and maintain the Project Facility and to exercise and/or enjoy the rights, powers, privileges, authorizations and entitlements as set forth in this Agreement, including but not limited to the right to levy, demand and collect appropriate Slaughter Charges from butchers and Persons liable to pay Slaughter Charges for using the Project Facility or any part thereof.

2.2 Project Period

The Project hereby granted is for a period of 5 years commencing from the date of Commencement Date (Project Period) during which Licensee is authorized to implement the Project and to operate the Project Facility in accordance the provisions hereof.

Provided that;

- a. in the event of the Project being extended by the Licensor beyond the above stated Project Period in accordance with the provisions of this Agreement, the Project Period shall include the period/aggregate period by which the Project is so extended, and
- b. in the event of Termination, the Project Period shall mean and be limited to the period commencing from the Commencement Date and ending with the Termination.

2.3 Acceptance of the Project

The Licensee hereby accepts the Project and agrees and undertakes to implement the Project/provide Project Facility, and to perform/discharge all of its obligations in accordance with the terms and conditions set forth in this Agreement.

2.4 Project Site

- a. The Licensor hereby undertakes to handover to the Licensee physical possession of the Project Site free from Encumbrance along with land development and construction of approach road within 30 days from the date of this Agreement together with the necessary rights of way/way leaves for the purpose of implementing the Project in accordance with this Agreement.

- b. The Licensor confirms that upon the Project Site being handed over pursuant to the preceding sub-article (a) the Licensee shall have the exclusive right to enter upon, occupy and use the Project Facility at its own cost, charges and expenses as may be necessary or appropriate to implement the Project in accordance with the provisions of this Agreement.

2.5 Use of the Project Site

The Licensee shall not without prior written consent or approval from the Licensor use the Project Site for any purpose other than for the purpose of the Project and purposes incidental thereto as permitted under this Agreement or as may otherwise be approved by the Licensor. Breach of this clause shall be deemed to be treated as a Licensee Event of Default.

2.6 Peaceful Possession

The Licensor warrants that the Licensee shall, subject to complying with the terms and conditions of this Agreement, remain in peaceful possession and enjoyment of the Project Facility during the Project Period.

2.7 Rights and Title over the Project Facility

- a. The Licensee shall have exclusive rights to use the Project Facility in accordance with the provisions of this Agreement and for this purpose it may regulate the entry and use of the same by third parties.
- b. The Licensee shall not part with or create any Encumbrances on the whole or any part of the Project Site/Project Facility save and except as set forth permitted under this Agreement.

ARTICLE 3 PAYMENTS & SECURITY

3.1 Payment of License Fee

The Licensee shall make the payment of the Licensee Fee to the Authority on a monthly basis. The payment shall be made by the Licensee at the start of every month and latest by the 7th of the corresponding month. The License Fee payable to BMC shall increase @ 5% over the preceding years License Fee. For this purpose, each year shall be reckoned in accordance with the date(s) of the License Agreement, save as Force Majeure conditions prescribed in this License Agreement.

3.2 Security Deposit of License Fee

The Licensee shall make a deposit of the value of three months License Fee in the form of a demand draft drawn in favour of Commissioner, Bhubaneswar Municipal Corporation payable at Bhubaneswar, at the time of signing of this Agreement. The deposit is refundable on successful completion of the Project or is adjustable during the last quarter of the Project.

3.3 Performance Security

- a. The Licensee shall, for due and punctual performance of its obligations hereunder relating to the Project, deliver to Licensor, prior to the execution of this Agreement, TDR/NSC/Bank Guarantee drawn/pledged in favour of Commissioner, BMC from any Commercial Bank and payable at Bhubaneswar (the “Performance Security”) for a sum of Rs. 1,00,00,000/- (Rupees One Crore Only).
- b. The Performance Security shall be kept valid throughout the term of the Agreement.

3.4 Fresh Performance Security

In the event of the encashment of the Performance Security by the Licensor the Licensee shall within 30 (thirty) days of the encashment notice furnish to the Licensor fresh Performance Security failing which the Licensor shall be entitled to terminate this Agreement.

ARTICLE 4 SLAUGHTERING CHARGES

4.1 Levy, Collection and appropriation of Slaughtering Charges

- a. The Licensee shall during the Project Period be entitled to levy, demand and collect Slaughtering Charges in accordance with the Slaughtering Charges Notification issued by Bhubaneswar Municipal Corporation. The slaughtering charges for goat is Rs. 25/-.
- b. The licensee shall conspicuously display the Slaughtering Charges at the Modern Slaughter House.

4.2 Revision of Slaughtering Charges

In the event of any extension in Project Period in accordance with provisions of this Agreement, the Licensor may issue revised Slaughtering Fee Notification(s) keeping into consideration WPI.

ARTICLE 5 OBLIGATIONS AND UNDERTAKINGS

In addition to and not in derogation or substitution of any of the obligations set out elsewhere in this Agreement, the Parties agree and undertake as under:

5.1 General Obligations of the Licensee

The Licensee shall at its own cost and expense:

- i. operate and maintain the Project Assets/Project Facility in accordance with the provisions of this Agreement, Good Industry Practice and Applicable Laws;
- ii. obtain all Applicable Permits in conformity with the Applicable Laws within 30 days from the date of signing of this Agreement and be in compliance with thereof at all times during the Project Period;

- iii. procure and maintain in full force and effect, as necessary, appropriate proprietary rights, licenses, agreements and permissions for materials, methods, processes and systems used in or incorporated into the Project;
- iv. provide the Licensor reports on regular basis during the Project Period in accordance with the provisions of this Agreement;
- v. make efforts to maintain harmony and good industrial relations among the personnel employed in connection with the performances Licensee's obligations under this Agreement;
- vi. develop, implement and administer a surveillance and safety program for the Project Facility and the users thereof, including correction of safety violations and deficiencies, and taking of all other actions necessary to provide a safe and hygienic environment in accordance with Applicable Laws and Good Industry Practice;
- vii. observe and fulfill the environmental and other requirements under the Applicable Laws and Applicable Permits at all time during the Concession Period;
- viii. be responsible for safety, soundness and durability of the Project Facility including all structures forming part thereof;
- ix. make payment to Municipal Department or any Government Agency that is authorized to levy the same, for provision of such services as are not provided in the normal course or are available only on payment;
- x. operate and maintain the Project Facility at all times during the Project Period in conformity with this Agreement including but not limited to the Maintenance Programme and Good Industry Practice;

5.2 Obligations of the Licensee during Project Period

- a. The Licensee shall:
 - i. at all times, afford access to the Project Site including the Project Facility, to the authorized representatives of the Licensor and officer of any Government Agency having jurisdiction over the Project Site, including those concerned with safety, security, or environmental protection to inspect the Project Site/Project Facility and to investigate any matter within their authority and upon reasonable notice, the Licensee shall provide to such persons reasonable assistance necessary to carry out their respective duties and functions;
 - ii. apply for all necessary clearances and/or approvals for the operation and maintenance of Modern Slaughter Houses from all the concerned Government Agencies;
 - iii. obtain at its cost such facilities on or outside the Project Site as may be required by it for the purposes of the Project and the performance of its obligations under this Agreement;
- b. While undertaking the Project, the Licensee shall be responsible for the following:
 - i. All relevant and concerned norms, directions, instructions and Legislations issued from time to time by the GoO, or GoI or by a competent authority or authorized agency/department, shall have to followed by the Licensee for the Project.
 - ii. The Licensee shall procure all the requisite statutory permissions/approvals for the Project from GoI, GoO or any other Government Agency as may be applicable, with

- requisite fees to be furnished by the Licensee without any financial implication of the same on the Licensor, within 30 days of signing of this Agreement.
- iii. All taxes and duties applicable shall be payable by the Licensee at all the time during the Project Period as per the terms of this Agreement.
 - iv. The Licensee will be responsible for payment of electric bills, water charges, direct & indirect taxes and duties imposed by the concerned authorities for the entire Project Period.
 - v. The Licensee will be responsible for day to day running expense of the Project and proper repair and maintenance of its plant and machinery.
 - vi. The Licensee shall hand over the Project Assets to the Licensor after completion of the Project Period in reasonable working and running condition.
 - vii. Mobilise resources as per clause no. IV of article 6 within 30 days from the signing of this Agreement.
 - viii. All the employees and staff employed by the Licensee will be solely responsibility of the Licensee. The Licensor will not be responsible for any employment or related obligation of the said Project, whether statutory or contractual.
 - ix. The Licensee shall comply with directives/provisions of all the rules, regulations, laws and bylaws enforced by local body, State Govt., Central Govt., including any modification/amendment thereof shall comply with the standards and norms of Central and State Pollution Control Board and guidelines issued by the competent Courts of law.
 - x. The Licensee shall ensure adherence to execution of works based on approved quality and take adequate precaution in observing safety of personnel and property.
 - xi. All required safety measures shall be provided and followed by the Licensee in conformity of the prevailing law. The Licensee shall at all times during the Project Period, comply fully with all existing Acts, regulations and bye-laws, including all statutory amendments and re-enactments of State Govt. or Corporation and other local authorities and any other enactment, notification and acts, that may be passed in future either by the State Govt. or Corporation and other local authorities and any other enactment, notification and acts, that may be passed in future, either by the State Govt. or the Authority or by the statues including Indian Woman's Compensation Act, Contract Labour (Regulation and Abolition) Act, and Equal Remuneration Act, Industries Act, Factories Act, Minimum Wages Act, Provident Fund Regulation, Employees Provident Fund Act and scheme made under the same Act, health and sanitary arrangements for workmen, insurance and other benefits and shall keep the Licensor indemnified in case of any action is commenced for contravention of the Licensee.

5.3 Obligations of the Licensor

The Licensor shall:

- a. hand over the physical possession of the Project Site/Project Facility together with necessary right of way within 30 days from the date of this Agreement;
- b. grant in a timely manner all such approvals, permissions and authorizations which the Licensee may require or is obliged to seek from Licensor in connection with

- implementation of the Project and the performance of the Licensor's obligations under this Agreement;
- c. ensure peaceful use of the Project Facility by the Licensee under and in accordance with the provisions of this Agreement without any let or hindrance from Licensor or persons claiming through or under it;
 - d. procure that no obstacles/barriers are erected or placed by Licensor or any Government Agency on the Project Site/Project Facility, except on account of any law and order situation or upon national security considerations;

ARTICLE 6 SCOPE OF THE LICENSEE

6.1 Operations & Maintenance of the Modern Slaughter House

I. Operating Hours

- a. The Modern Slaughter House shall be operated in three shifts of 8 hours each in a day. Two shifts in a day shall be reserved for service to local butchers/meat vendors or any other Person who would like to avail the services of the Modern Slaughter House.
- b. The Licensee is permitted to use one shift for meat processing or other related commercial activities for its own business.

II. Levy of Slaughtering Charges

- a. The Licensee shall provide the services for the local slaughtering needs of Bhubaneswar City as stated in clause 4.1 (a) above and for this the Licensee shall collect the slaughtering charges, from the meat vendors registered/licensed by the Licensor, who bring in their animals for slaughtering, as per Article 4.

III. Operations and Maintenance of the Plant

- a. The Licensee shall ensure proper handling of all the equipment of the plant/buildings. However, in case of any damage to any component of the plant/building occurs the same shall be brought to the notice of the Licensor within 24 hours in writing and same shall be repaired or replaced with original spares in the presence of the authorized representative of the Licensor.
- b. The Licensee shall not amend or alter physical status of any component/item/machinery of the plant/building. In case of any such requirement he shall approach the Licensor for the same.
- c. All the permissions/licenses necessary for the operation of this plant shall be obtained by the Licensee from the Corporation time to time.
- d. The Licensee shall have Good slaughter house industry practice, and also be responsible for applicable laws and applicable permits and manufacturer's guidelines and instructions with respect to a semi-automatic slaughterhouse.
- e. The Licensee shall further:
 - i. ensure smooth and uninterrupted slaughtering of Animals during normal operating conditions;
 - ii. minimizing disruption to slaughtering activity in the event of failure of any part of the Project Facility or other incidents affecting the safety and use of the Project

- Facility by providing a rapid and effective response and for this purpose maintaining liaison with emergency services;
- iii. undertaking routine maintenance of the Modern Slaughter House and/or any part thereof including prompt repairs of potholes, cracks, concrete joints, drains, lighting and power back-ups, maintenance of vehicles for transport of Animals (both live and slaughtered);
 - iv. undertaking maintenance works in accordance with Maintenance Manual and the Maintenance Programme;
 - v. preventing with the assistance of concerned law enforcement agencies where necessary, any unauthorized use of the Project Facility;
 - vi. preventing with the assistance of the concerned law enforcement agencies where necessary, any encroachments on the Project Site and preserving the right of way of the Project.
 - vii. adherence to the safety standards as applicable for the Project.

IV. Mobilisation of Resources

- a. The Licensee shall be required to provide all the staff-labour, butchers, operators, supervisors, mechanics and electricians and such other staff and all other clerical, administrative, managerial staff as also the security personnel for the operations, maintenance and management of the Modern Slaughter House including the Project Facility.
- b. The Licensee shall mobilise such resources as required with 30 days from the signing of this Agreement.

V. Sanitary & Hygiene Requirements

- a. The Licensee shall be responsible for disposing off all the waste generated during the process in a scientific manner at the place predetermined by the Licensor at the Licensee's cost.
- b. The Licensee at all times during the Project Period maintain the overall hygiene of the plant and its environs as per the Applicable Laws including but not limiting to Food Safety and Standards (Licensing and Registration of Food Businesses) Regulation, 2011.

VI. Maintenance Manual

The Licensee shall in consultation with the Licensor evolve a manual for regular and preventive maintenance (the “**Maintenance Manual**”), and shall ensure and procure at all times during the Project Period, the Project Facility is maintained in a manner that complies with the statutory requirements and Good Industry Practice. The Licensee shall supply, within 30 days from the date of signing of this Agreement, 4 copies of the Maintenance Manual to the Licensor.

VII. Maintenance Programme

- a. Not later than thirty (30) days before the beginning of each Accounting Year, the Concessionaire shall provide to the Independent Engineer, its proposed programme of preventive and other scheduled maintenance of the Project Facility at all times in

conformity with the statutory requirements and Good Industry Practice (the “**Maintenance Programme**”). Such Maintenance Programme shall include but not limited to the following:

- i. intervals and procedures for the carrying out of inspection of all elements of the project;
 - ii. criteria to be adopted for deciding maintenance needs;
 - iii. preventive maintenance schedule;
 - iv. intervals at which the Licensee shall carry out periodic maintenance; and
 - v. intervals for major maintenance and the scope thereof;
- b. Maintenance shall include replacement of equipment and consumables, and also horticultural maintenance and repairs to equipment, pavements, buildings, structures and other civil works which are part of the Project Facility / Project Asset.
 - c. The Licensee shall keep the Project Facility in a clean, tidy and orderly condition free of litter, waste material (whether solid or liquid) and debris.
 - d. The Licensee shall be responsible for the maintenance of the internal approach roads to the various buildings and/or structures of the Modern Slaughter House within the Project Site in accordance with Good Industry Practice.

VIII. Machine Breakdown and Accident

- a. In the case of unsafe conditions, machine breakdowns and accidents, the Licensee shall follow the relevant operating procedures. Such procedures shall be in accordance with Applicable Laws, Applicable Permits and the provision of this Agreement.
- b. The Licensee shall ensure that any defect or disorder in Project Facility is remedied without delay.

IX. Emergency De-commissioning

- a. If, in the reasonable opinion of the Licensee there exists an Emergency which warrants decommissioning and closure of whole or any part of the Project Facility, the Licensee shall be entitled to de-commission and close the whole or the relevant part of the Project for so long as such Emergency and the consequences thereof warrant. Provided, however, that such decommissioning will be notified to the Licensor promptly.
- b. The Licensee shall re-commission the Project Facility or the affected part thereof as quickly as practicable after the Emergency leading to its de-commissioning and closure has ceased to exist.
- c. The Licensee shall not close any part of the Project Facility for undertaking maintenance or repair works except with the prior written approval of the Licensor through a written request to be made at least 7 (seven) days before the proposed closure of part and shall be accompanied with particulars indicating the nature and extent of repair works and the arrangement made for safe slaughtering of the Animals, the section required to be closed and the period of closure. The Licensee shall also furnish particulars indicating the minimum time period for completing such repair works. Within 5 (five) days of receiving such request, the Licensor shall grant permission with such modification as he may deem necessary. Upon receiving such

permission, the Licensee shall be entitled to close the part in accordance with such permission and re-open it within the period stipulated in such permission.

- d. Save and except as otherwise expressly provided in this Agreement, if the Project Assets/Project Facility or any part thereof shall suffer any loss or damage during the Project Period, from any cause whatsoever, the Licensee shall, at his own cost and expense rectify and remedy such loss or damage in a manner so as to make the Modern Slaughter House conform with respect to, quality and performance as prescribed by this Agreement and/or under Applicable Law and the Applicable Permits.
- e. In the event the Licensee does not maintain and/or repair the Project Facility or part thereof upto and in accordance with the statutory requirements and Good Industry Practice and/or in accordance with the Maintenance Programme or the Maintenance Manual or the O&M Inspection Report, as the case may be, and shall have failed to commence remedial works within (30) thirty days of notice of notice in this behalf from the Licensor, the Licensor shall without prejudice to its rights/remedies under this Agreement, including Termination, be entitled to undertake to cause the repair and maintenance of the Project Facility at the risk and cost of the Licensee. The Licensee shall, reimburse to the Licensor within seven days of demand the costs and expenses incurred for undertaking such repairs and maintenance.
- f. If the Licensee commences any works for curing any defects or deficiencies in the Project Facility, it shall complete such works expeditiously in accordance with Good Industry Practice.
- g. The Licensee shall not be considered in breach of its obligations under this Agreement if any part of the Project Facility is not available for slaughtering activity on account of any of the following for the duration thereof:
 - i. Force Majeure Event;
 - ii. Measures taken to ensure the safe use of the Project except when unsafe conditions of the Project Facility occurred because of failure of the Licensee to perform its obligations under this Agreement; or
 - iii. Compliance with a request from Licensor or the directions of any Government Agency the effect of which is to close all or any part of the Project;

Notwithstanding the above, the Licensee shall keep all unaffected parts of the Project open for slaughtering and use provided they can be safely operated and kept open for slaughtering.

X. Monitoring and Supervision during Operations

- a. The Licensee shall undertake periodic inspection of the Project Facility in accordance with the Maintenance Manual, the Maintenance Programme and this Agreement and shall submit reports of such inspection (“**Maintenance Reports**”) to the Licensor.

- b. The Licensor shall undertake periodic (at least once every calendar quarter) inspection of the Project Facility jointly with the Licensee to determine the condition of the Project Facility including its compliance or otherwise with the Maintenance Manual, the Maintenance Programme and this Agreement and make out a report of such inspection (the “**O&M Inspection Report**”) and forward it to the Licensee. The O&M Inspection Report shall be set forth defects and deficiencies, if any, and may also require the Licensee to undertake such tests as may be specified by the Licensor for the purpose of determining that the Project Facility is at all times in conformity with the statutory requirements and Good Industry Practice. The Licensee shall within 30 (thirty) days of the receipt of the O&M Inspection Report from the Licensor remedy the defects and deficiencies and undertake such tests, if any, set forth therein, without any delay and furnish compliance thereto and/or results thereof to the Licensor along with a report (“**O&M Inspection Compliance Report**”) specifying reasonable detail the measures, if any, that have been undertaken for curing the defects or deficiencies indicated in such results. Such inspection or submission of O&M Inspection Compliance Report by the Licensee shall not relieve or absolve the Licensee of its obligations and liabilities hereunder in any manner whatsoever. Where the remedying of such defects or deficiencies and/or undertaking such tests is likely to take more than 30 (thirty) days in accordance with Good Industry Practice, the Licensee shall undertake the works in accordance with such practice and submit progress reports of such works every fortnight and finally the O&M Inspection Compliance Report.

ARTICLE 7 INSURANCE

7.1 Insurance during Project Period

The Licensee shall, at its cost and expense, purchase and maintain during the Project Period insurance to cover against:

- a. loss, damage or destruction of the Project Facility, at replacement value;
- b. the Licensee’s general liability arising out of the Concession;
- c. liability to third parties; and

any other insurance that may be necessary to protect the Licensee and its employees, including all Force Majeure Events that are insurable and not otherwise covered in items (a) to (c) above.

7.2 Insurance Companies

The Licensee shall insure all insurable assets comprised in the Project Assets and/or the Project Facility through Indian insurance companies and if so permitted by applicable law as well as Licensor, through foreign insurance companies, to the extent that insurance are necessary to be effected through them.

7.3 Evidence of Insurance Cover

The Licensee shall, from time to time, provide to Licensor copies of all insurance policies (or appropriate endorsements, certifications or other satisfactory evidence of insurance) obtained by the Concessionaire in accordance with this Agreement.

7.4 Application of Insurance Proceeds

All money received under the insurance policies shall be promptly applied by the Licensee towards repair or renovation or restoration or substitution of the Project Facility or any part thereof which may have been damaged or destroyed. The Licensee shall carry out such repair or renovation or substitution to the extent possible in such manner that the Project Facility or any thereof, shall after such repair or renovation or restoration or substitution be as far as possible in the same condition as they were before such damage or destruction, normal wear and tear expected.

7.5 Validity of the Insurance Cover

The Licensee shall pay the premium payable on such insurance policy(ies) so as to keep the policy(ies) in force and valid throughout the Operation Period and furnish copies of the same to Licensor. Each insurance policy shall provide that the same shall not be cancelled or terminated unless 10 Days' clear notice of cancellation is provided to Licensor in writing. If at any time the Licensee fails to purchase and maintain in full force and effect any and all of the insurances required under this Agreement, Licensor may at its option purchase and maintain such insurance and all sums incurred by the Licensor therefor shall be reimbursed by the Licensee forthwith on demand, failing which the same shall be recovered by the Licensor by exercising right of set off against the Operation Period or otherwise.

ARTICLE 8

MEDICAL CERTIFICATION

8.1 Medical Certification of the Animals

- i. The Licensor shall be entitled to have at least two veterinary doctors attached to the Modern Slaughterhouse in order to have the Animals examined before being slaughtered.
- ii. The Licensee shall follow the advice of such doctors in case the doctors find that any Animal is not medically fit for the purpose of slaughtering and exclude such Animal from the slaughtering lot of the Animals. Only those Animals for which a medical certificate provides "no objection" to slaughtering shall be slaughtered by the Concessionaire. Any breach of this clause shall be treated as a Material Breach of this Agreement.
- iii. The monthly fee of the veterinary doctors shall be informed by the Licensor to the Licensee at the time of their appointments and the same shall be paid by the Licensor

on or before 7th of every month. Non- payment of the same for a continuous period of three months shall result into a Licensee Event of Default.

ARTICLE 9 FORCE MAJEURE

9.1 Force Majeure Event

A Force Majeure Event shall mean occurrence in India of any or all of events which prevent the Party claiming Force Majeure (the "**Affected Party**") from performing its obligations under this Agreement and which act or event (i) is beyond the reasonable control and not arising out of the fault of the Affected Party, (ii) the Affected Party has been unable to overcome such act or event by the exercise of due diligence and reasonable efforts, skill and care, and (iii) has a Material Adverse Effect on the Project.

9.2 Allocation of cost during subsistence of Force Majeure

During a Force Majeure Event, the Parties shall bear their respective costs and neither Party shall be required to pay to the other Party any cost arising out of any such Force Majeure Event.

9.3 Termination

If a Force Majeure Event continues or is in the reasonable judgement of the Parties is likely to continue beyond a period of 180 days, the Parties may mutually decide to terminate this Agreement or continue this Agreement on mutually agreed revised terms. If the Parties are unable to reach an agreement in this regard, the Affected Party shall after the expiry of the said period of 180 days, be entitled to terminate this Agreement by issuing Termination Notice.

ARTICLE 10 EVENTS OF DEFAULT AND TERMINATION

10.1 Event of Default

Event of Default means the Licensee Event of Default

Any of the following events shall constitute an event of default by the Licensee ("**Licensee Event of Default**") unless such event has occurred as a result of Force Majeure Event;

- i. The Concessionaire creates any Encumbrance on the Project Site/Project Facility in favour of any Person.
- ii. The transfer, pursuant to law of either (a) the rights and/or obligations of the Licensee under any of the Project Agreements, or (b) all or material part of the Licensee except where such transfer in the reasonable opinion of Licensor does not affect the ability of the Licensee to perform, and the Licensee has the financial and technical capability to perform, its material obligations under the Project Agreements.

- iii. The Licensee suspends or abandons the Project without the prior consent of the Licensor, provided that the Licensee shall be deemed not to have suspended/abandoned the Project if such suspension/abandonment was (i) as result of Force Majeure Event and is only for the period such Force Majeure is continuing, or (ii) is on account of a breach of its obligation under this Agreement by Licensor.
- iv. The Licensee has delayed any payment that has fallen under this Agreement and if such delay exceeds 90 (ninety) days.
- v. The Licensee is otherwise in Material Breach of this Agreement.
- vi. Performance Security is not furnished within the same period in accordance with Article 3.3 & 3.4.

ARTICLE 11 DISPUTE RESOLUTION

11.1 Amicable Resolution

Any dispute, difference or controversy of whatever nature howsoever arising under, out of or in relation to this Agreement including incompleteness of the Project between the Parties and so notified in writing by either Party to the other (the “**Dispute**”) in the first instance shall be attempted to be resolved amicably by the Licensor and the Chairman of the Board of Directors of the Licensee. If the Dispute is not amicably settled within 15 (fifteen) days the decision of the Commissioner, Bhubaneswar Municipal Corporation would be binding upon both the parties.

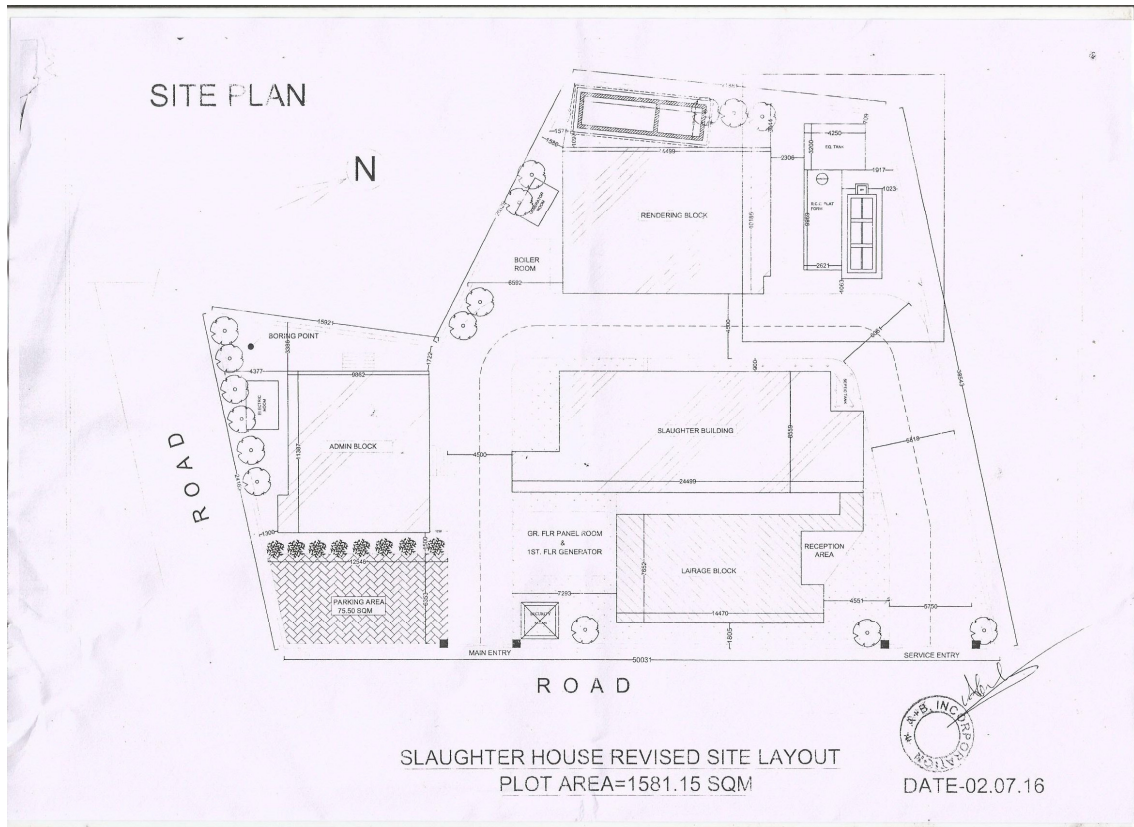

Schedule A
Project Facility

SALIENT FEATURES OF THE MODERN ABATTOIR COMPLEX FOR
SHEEP/GOAT AT GADAKANA, BHUBANESWAR OF BHUBANESWAR
MUNICIPAL CORPORATION (BMC).

I	Slaughter Capacity	50 heads per shift
II	Land Area	16000 ft. (approx.)
IV	DG Sets	To be specified by BMC
V	ETP	15 KL per day
VI	Brief Plant Description	<ul style="list-style-type: none"> a. Installed capacity of slaughtering 50 Sheep/Goat per Shift. b. Separate Sections for hides, offal, legs and heads provided for animal owners to take out the above materials without entering into the Slaughter Hall. c. Remaining Solid Wastes dung and ingesta will be disposed to Dumping site by the successful bidder on regular basis as per the permission to be given by BMC. d. There is a separate Rendering Plant for wastage of materials installed separately. e. Remaining fine solids and wash water from Slaughter House, lairage and other areas will go to a custom built Effluent Treatment Plant to discharge treated water as per the norms and standards of State Pollution Control Board.
VII	Other facilities	<ul style="list-style-type: none"> a. Only Halal rituals to be adopted for slaughtering of animals. b. Separate enclosures for handling of hides, fore-legs, heads and paunch are provided. c. Hot water circulation for sterilizing knives and other cutting tools is provided. d. 100% back up for emergency power from DG Set during normal power failure is provided. e. Entry of livestock and dispatch of products is isolated from each other to maintain proper hygiene and sanitation environment. f. Separate Utility Area has been provided to workers / staff entry to the Slaughter Hall through Change Room, Wash Room, Foot Bath, hand Wash areas to maintain hygiene and sanitation. g. Chilling Room for cooling of carcass is provided. h. Fully equipped Quality Control / Testing Laboratory is provided. i. 4 Modern Meat Shops are provided. j. Refrigerated Van for dispatch of products to markets is provided. k. Custom Built ETP is installed to treat the effluent water from the Plant to discharge treated water as per the norms

		<p>and standards of State Pollution Control Board.</p> <p>1. A suitable Rendering Plant has been set up to process the wastage of Carcasses.</p>
VIII	List of Equipment / Make and Technical Specification Installed in the Facility	Attached and compiled as under Schedule C

Schedule B
Project Site

Schedule C

Brief Details of the Machineries and Equipments Installed at the Abattoir

NB: To be provided during pre-bid discussion.
